UI/UX/IxD DESIGNER
ALEKSANDR FILIUK

About me

I'm a professional UI/UX Designer and I have 14+ years of strong experience in designing and developing. I know how to look for solutions in difficult situations, stand for them, be flexible and proactive. I can develop my self independently, and develop each other peoples as well.
I'm sociable, positive, interesting, with a good sense of humor, ambitious, and persistent. I like travelling and doing sports also I like meeting new people and no bad habits.
